**Join us for another free nature walk
around our beautiful parish!**

This time we'll be walking north of the village and visiting the lesser-known southern part of **The Wildlife Trust's Old Sulehay Nature Reserve: Ring Haw**. We'll be meeting Reserves Officer Ian Hilbert who is generously giving his time to share his extensive knowledge of the nature and history of this fascinating area – and how they are inter-twined. From quarrying and trains to meadows and butterflies.

The walk (about 4 miles) will be at an easy pace, but there will be some uneven ground, long grass, and stiles and kissing gates to negotiate. There are no facilities, so 'go before you go' and bring water! Dogs on leads please.

There will be an opportunity to **make a donation** to support the work of The Wildlife Trust (cash only please).
