

Its Haymaking Time !!!
Time to get the scythes and rakes out

We have an amazing wildflower meadow on the village field, which produces a wonderful display of native flora, and supports all our fabulous butterflies and other pollinators.

Each year the meadow needs to be cut and raked off to maintain it and ensure we get another great display next year. This is all down to volunteers, and we always need help!

Please come along and help out
All tools supplied and free scything lessons!

August 19th and 20th on the village field
10am until 3pm each day
Gloves are useful and proper footwear please!
